Dear Ms. Simons:

The video "We Are Family" was not shown in any of the Chester County School District schools on March 11, 2005. This was due to the district's not receiving the video. If the district receives this video at a later date, it will go through our instructional review process. The video will be reviewed by the district's Comprehensive Health Education Committee.

Sincerely,

Barry E. Campbell, Ed.D.
Superintendent
